## Summary

Integrated M.Tech Cybersecurity student with hands-on experience in network security secure coding, and real-time threat detection. Worked on projects such as ARP and DNS poisoning detection using Python, networking, and Linux, along with full-stack web development using HTML, CSS, Javascript, and MySQL. Completed structured cybersecurity training covering threat analysis, secure development, and network defense, and seeking an entry-level role to contribute to building secure and reliable system.

## Skills

- Programming /Query Language: Python, Java
- Frontend: HTML, CSS, Javascript
- Database: mySQL
- APIs: Restful API Development
- Version Control: Git, Github

## Education

### VIT Bhopal University

Integrated M.Tech CSE(Cyber security)  
CGPA: 8.38/10

Bhopal, Madhya Pradesh  
April 2026

## Project

### Anti- DNS – ARP & DNS Poisoning Detection Tool

Jun 2022 – Dec 2022

- A Python-based network security tool developed to detect DNS spoofing and ARP poisoning attacks in real time on Linux system. The system continuously monitors ARP cache and network traffic to identify malicious activity and generate alerts.
- Technology: Python, Network, ARP, DNS, Linux
- Type: Academic Project
- Role: Cybersecurity / Python Developer
- Repository:- <https://github.com/raghu811/Anti-Dns-Spoofing>

### Travelling Website

Sep 2023 – Mar 2024

- A responsive static web application developed for showcasing travel destination, package, and basic user interaction. The website includes multiple pages such as home, about, and contact from providing a smooth user experience.
- Technology: HTML, CSS, Javascript, MySQL
- Type: Personal Project
- Role:- FullStack Developer
- Repository: <https://github.com/raghu811/Travelling-website>

## Training:

Cybersecurity Skilling Program (C3iHub, IIT Kanpur (DST Initiative)

Sep 2023- Oct 2023

- Completed structured training under DST initiative covering core cybersecurity principles.
- Gains hands-on experience in threat detection, secure coding, and network defense.
- Certified with a score of 71.7%.

## Achievements:

- Solved over 160 problems on Leetcode — Global Rank 869,993
- Solved 100+ coding challenges on GeeksforGeeks — College Rank: 281
- Team Lead, Cricket tournament'23 VIT Bhopal.
- Member at Meraki Fine Arts Club, Organized various involving over 100 Participants.
